

MOTORISTS AWAIT OPENING OF ROAD BY-PASSING HERE

Still Some Work To Be
Completed on Shoulders
Of the Road

INTERSECTION IS BAD

Motorists Will Need A Com-
pass To Guide Them
Around "Islands"

Motorists are eagerly awaiting the opening of the highway by-passing Bristol and it is presumed that the roadway will be opened to traffic almost any day, now that the work has been completed. Yesterday was devoted to cleaning up by the contractor, F. A. Canuso & Sons. There is still some work to be done on the shoulders and guard cables remain to be stretched. But it is thought that the work yet to be done will not delay the opening of the traffic artery.

Traffic over some of the Bristol streets will be greatly lessened while over others it will undoubtedly be increased. Streets leading to the by-pass highway will be more heavily travelled, no doubt, as motorists will naturally take the shortest route to the highway in order to avoid the congestion and traffic lights on Pond street, Farragut avenue, and some other heavily travelled streets.

The additional work done at the intersection at the Bristol Cemetery has been completed.

The additional work includes the building of two additional "islands" and the lengthening of two dividers. It is presumed that when engineers saw the results of their handiwork they decided that the intersection is a dangerous one. Whether the new "islands" and the lengthening of the dividers will make the intersection safer remains to be seen.

Many motorists are viewing the intersection as an extremely hazardous one and are perplexed over the planning of such an intersection during a period when there is a great campaign on to make highways safer for the travelling public.

Some motorists feel they will be all at sea in efforts to navigate a car around the numerous islands.

In a news release by the Keystone Automobile Club it is stated that 35,989 people were killed and \$28,577 injured in Pennsylvania in the 18 years that accident records have been kept on a State-wide basis.

"In presenting these figures," said J. Maxwell Smith, president of the Club, "it is not our purpose to engage in a statistical orgy but to point up the seriousness of the traf-

**81-Year-Old Man Hange
Himself At Wrightstown**

WRIGHTSTOWN, July 18 — An aged local man, William Fitzpatrick, 81, ended his life, Tuesday, when he hung himself in a small shack on the farm of Frank W. Robinson. Fitzpatrick placed the noose about his neck and stepped off a small stove. It is stated.

Trooper John Mitchell of the Doylestown sub-station of State Police, said that Fitzpatrick's neck was broken. The body was found by John T. Haddock, 16, who is employed at the farm. Trooper Mitchell summoned Coroner J. Alfred Rigby from Cornwells Heights, who issued a certificate of death due to suicide. Robinson had talked with Fitzpatrick in the morning, at which time the aged man informed Robinson that he would not be around much longer. Fitzpatrick, who lived in the Wrightstown and Newtown section all his life, has no known survivors.

FREIGHT RATES AGAIN

The railroads are asking the
 Interstate Commerce Commission
 for another increase in freight
 rates. They say their annual oper-
 ating costs are now \$2,300,000,000
 higher than in 1939 and that the
 17 1/2 per cent boost authorized
 last December has produced only
 \$1,300,000,000 in new revenue.
 They seek an average 16 per cent
 advance to take care of the other
 billion.

The railroads evidently have a
 good case, since everybody knows
 they are paying more for fuel,
 equipment, and labor than they
 were a year ago. And it is ob-
 vious that a healthy transporta-
 tion system is necessary if the
 economy as a whole is to be
 healthy. Railroads too poor to
 provide adequate service can cost
 more than the money required to
 maintain them adequately and
 permit normal growth.

Shipping costs have a bearing
 on practically everything bought
 and sold, so higher freight rates
 must exert pressure on a price
 level that has already caused
 much concern.

This conclusion is disturbing
 enough. The roads forecast even
 more difficulties for the ICC,
 however, by stating that higher
 labor and fuel costs would make a
 supplemental petition necessary.
 Coal is certainly going to be more
 expensive in the near future. The
 railroad unions are out for higher
 wages or contract changes that
 will mean bigger payrolls.

It is sobering to realize that
 the movement toward inflation,
 though it has been slowed, has not
 yet been checked.

RODEO TIME

When a rodeo performer was
 injured at the Bellefonte, S. D.,
 rodeo, a hat was passed among
 the spectators and \$1,900 was
 quickly raised for the unfortunate
 cowboy. Such occurrences are
 frequent at rodeos throughout the
 country.

Rodeo, regarded by many as a
 passing fad before the war, shows
 no indications of a let-up in inter-
 est. More rodeos than ever before
 are being staged this summer, the
 crowds are larger and more en-
 thusiastic and top entertainment
 is being provided by the perform-
 ers.

The rodeo performer is a nu-
 merous clan who takes many
 risks and is seldom flush financial-
 ly. He "makes" rodeos in many
 states during a season and is al-
 most wholly dependent upon win-
 ning prize money to eat. The ex-
 hilaration he derives from con-
 quering a buck or rassin' a bad
 'un provides most of the incentive.

The best of the rodeo cowboys
 look forward to participation in
 the Cheyenne and Pendleton
 "shows" as the high points of the
 season, and the top hands who
 have the fare go to Madison
 Square Garden in the fall, where
 a rodeo that lasts for a month is
 staged and the stock is not so wild
 and the prizes larger. Last year
 spectators paid more than a mil-
 lion dollars for seats at the New
 York rodeo.

And it is obvious that a healthy transportation system is necessary if the economy as a whole is to be healthy. Railroads too poor to provide adequate service can cost more than the money required to maintain them adequately and permit normal growth.

Shipping costs have a bearing on practically everything bought and sold, so higher freight rates must exert pressure on a price level that has already caused much concern.

This conclusion is disturbing enough. The roads forecast even more difficulties for the ICC, however, by stating that higher labor and fuel costs would make a supplemental petition necessary. Coal is certainly going to be more expensive in the near future. The railroad unions are out for higher wages or contract changes that will mean bigger payrolls.

It is sobering to realize that the movement toward inflation, though it has been slowed, has not yet been checked.

RODEO TIME
When a rodeo performer was injured at the Bellefonte, S. D., rodeo, a hat was passed among the spectators and \$1,900 was quickly raised for the unfortunate cowboy. Such occurrences are frequent at rodeos throughout the country.

Rodeo, regarded by many as a passing fad before the war, shows no indications of a let-up in interest. More rodeos than ever before are being staged this summer, the crowds are larger and more enthusiastic and top entertainment is being provided by the performers.

The rodeo performer is a numerous clan who takes many risks and is seldom flush financially. He "makes" rodeos in many states during a season and is almost wholly dependent upon winning prize money to eat. The exhilaration he derives from conquering a buck or rasslin' a bad 'un provides most of the incentive.

The best of the rodeo cowboys look forward to participation in the Cheyenne and Pendleton "shows" as the high points of the season, and the top hands who have the fare go to Madison Square Garden in the fall, where a rodeo that lasts for a month is staged and the stock is not so wild and the prizes larger. Last year spectators paid more than a million dollars for seats at the New York rodeo.

ROHM & HAAS IX WINS OVER FUR WORKERS

Given poor support from the start, Jack Kennedy was the losing pitcher last evening on Leedom's field as the Rohm and Haas team shelved the Fur Workers, 10-1, in a suburban League tilt.

Kennedy and his mates committed nine errors and handed the chemical mixers the game on a silver platter. In between the errors, the Maple Beach aggregation had 9 hits and "Chuck" Klein led the asters with three out of five. "Wal" De Witt jumped back into the batting lead by getting two out of two before he was taken out in the third inning.

The Fur Workers had trouble in getting to "Johnny" Slaven who set them down on four hits, two of which were made by "Jimmy" Spenser.

The chemical mixers played errorless ball with Dave Ludwig fielding wonderful game at third, handling right chances and starting two twinlings.

IBERNIANS TIE WITH DEMOCRATS

The Hibernians rallied in the last three innings last evening in time to tie the Democrat Club, 6-6, on Leedom's field.

The Democrats were ahead, 6-0, until the fifth and still held a 6-4 lead going in the final frame but Hibernian's single and a triple by "Ken" Stewart and an error gave the Hibs the tying runs.

The opposing moundmen were El Closterman, for the Hibs, and "Jokey" Leighton and Angelo Sallustio, for the Democrat Club. Leighton hurled part of the sixth and seventh innings.

"Kenny" Stewart and Bob Elker had two hits each for the Hibs while

Sallustio had two for two for the Democrat Club.

Motorists Await Opening Of Road By-Passing Here

The accident problem, and lay the groundwork for a continuing and consistent campaign for drastic reform in the promotion of highway safety.

Pennsylvania's total of dead and injured in the period 1928-46 would fill Philadelphia's Convention Hall more than 66 times. It is 2 2/3 times the population of Delaware county, and 6 1/3 times the population of Chester county. It is equal to the combined population of Bethlehem, Norristown, Bristol, Chester, Williamsport, Scranton, Wilkes-Barre, Allentown, Altoona, Hazleton, Erie, Johnstown, Coatesville and Chambersburg.

In terms of human values, the losses incurred in this tremendous casualty list are incalculable. In monetary terms, based on an arbitrary average of \$5000 for each life lost, the losses total \$177,995,000.

"On the injury side the monetary losses also mount into astronomical figures. Taking an arbitrary average of \$250 for each injury, the losses totaled \$207,144,250, or a grand total exceeding \$375,000,000. When it is considered that many accident victims are crippled or handicapped for life, the real monetary loss—aside from the human suffering involved—unquestionably is much greater.

"We have considered here only accidents involving death or injury. Accidents involving property damage would add at least another quarter million to the total.

Arrest Man For Forgery Attempt

Continued from Page One
Patrick, who was arrested twice last week by various Bucks county police, including local law enforcement officers, went to Philadelphia after he was told by Justice of the Peace to get out of Bucks County.

Patrick, who is from Texas City, Texas, was released from the Bucks County Prison one Sunday morning, after serving 30 days, and by that same evening was back in jail again. He was later apprehended by the Warminster township police chief and again committed to prison here.

Chief of Police Felix R. Gowan said an investigation will be made to see whether there is any truth to Patrick's tales about robbing a home and holding up another man or whether he is mentally deranged.

A Summary of The News

Continued from Page One

More than 800 Federal employees, mostly War Department civilian workers, were discharged for questionable loyalty in a nine-month period.

The fatal plane crash at La Guardia Field on May 29 probably could have been avoided if the pilot had exercised good judgment, a Senate subcommittee reported.

Graft charges were being investigated by the district attorneys of two counties. In New York, the alleged demand of a Tammany leader for \$100,000 in city pier leases was being looked into and a Queens grand jury will take testimony on charges that the police were being "paid off" by bookmakers.

Today's Quiet Moment

By the Rev. William C. Carroll
Pastor
Harriman Methodist Church

Teach us, gracious God, to serve Thee as thou deservest, to give and not to count the cost, to fight and not to heed the wounds, to toil and not to seek for rest, to labor and not to ask for any reward, save that of knowing that we do Thy will, through Jesus Christ our Lord. Amen.

Target shoot... this Sunday, July 20, at 1 p. m., the Edgely Rod & Gun Club will hold another one of its popular blue rock shoots over the Club traps in Edgely. The shoot, which will be run Lewis Class, will be a 50-target match. Shells will be available, and all trapshooters have an open invitation to participate.

A season this year... a one week's season on ruffed grouse, from November 1 to November 7, has been declared by the Game Commission for this Fall. The season was closed last year, but the birds have apparently made a sufficient comeback to open the season for one week this year.

Croakers still absent... although weeks overdue, very, very few croakers have been taken in the bays along the New Jersey Coast this year. As recently as 10 days ago big hauls were made by the commercial fishers, but they have not moved into the bays. Spoke with several salt water anglers in Beach Haven on Sunday, and none of them have a satisfactory explanation for the lack of croakers in the bays.

Deer season... an antlerless deer season throughout the State has been set for December 13 by the Pennsylvania Game Commission. This is the day after the close of the regular buck season, which runs from December 1 through the 12th. Hunters will be limited to one deer, either a buck taken from December 1 through the 12th, or a doe shot on December 13th.

Prospects good... according to a recent announcement of Ducks Unlimited, the international waterfowl restoration organization, favorable breeding conditions in most of the Canadian breeding grounds will assure an excellent crop of ducks for the coming season.

Good work... the grounds at the club house of the Bristol Fish & Game Protective Association, located west of Silver Lake, have taken on a new appearance with the mowing and trimming that has just been completed. The trap houses are also being repaired and the grounds generally put in first-class condition. Credit goes to the co-chairmen of the Trap Committee, Frank Everitt and Ray Elbertson. Within a few weeks the committee plans to hold a blue rock shoot.

Annual outing... this Sunday the Newportville Rod & Gun Club will hold its annual outing on the club grounds at Haunted Lane, Bridge-water. Harry Hughes, one of the committee in charge of the program, says it will be open house for everyone. There will be refreshments and prizes for the kiddies. Prizes will also be awarded in casting events. Some good entertainment has also been scheduled for the day.

HOWIE BLACK AGAIN CHALKS UP DIAMOND VICTORY

Voltz Batters Bang Out An 11-1 Win Over Lang-horne Legion

SIX STRIKE-OUTS

Schneider Gives Black Fine Support at Plate and In the Field

LANGHORNE, July 18.—"Howie" Black chalked up another mound victory last evening as the Voltz-Texaco batters banged out an 11-1 win over the Langhorne Legion on Playwicky field in a Suburban League tilt.

Black appeared in old-time form as he set down the Legionnaires with six scattered hits and having six strike-outs.

"Inky" Schneider gave Black good support both at the plate and in the field. He handled eight chances flawlessly and contributed two doubles in three times up. In the

third he robbed "Walt" Rothenbach out of a hit with a back-handed stab of his liner.

From where I sit... by Joe Marsh

Sam Helps with the Dishwashing

Dropped in at the Abernathy's just the other evening—and there was Sam, out in the kitchen with an apron on, helping his missus wash the supper dishes. (And then I learned later he'd helped cook the supper, too.)

Of course, Sam could have settled into his favorite chair, enjoyed his evening glass of beer, and left all the messy kitchenwork to Dixie. But he kind of likes her company—and she in turn certainly appreciates his help.

In fact, sharing the housework

and the mealtime chores is sort of a bond between them... like sharing that friendly glass of beer together, when the work is done. It's one of those little all-important things in marriage.

From where I sit, the time that a man and wife can spend with each other in this busy world today is all too precious. And the more things they can do together, the better.
